Subject: Decision of the EUHA Board committee

Chap. 2nd paragraph 2.3. Basic timetable of the season

1. The EUHA Board Committee shall determine the starting date of the regular EUHL season and notify individual teams of this date without any undue delay. The teams shall be obliged to respect the Board's decision. Each University Team shall be obliged to attend, via its representative, the opening press conference for the new EUHL Season.
2. Each participating team of the current EUHL Season shall be obliged to play the first game of the season in the first 10 days of the current EUHL season (starting date of the season is determined by the EUHA Board Committee), unless the Committee decides otherwise, e.g., in cases, where the University Team attends an event, where the EUHA participates or the EUHA gave the Team permission to attend.
3. Individual teams may, after mutual agreement, play games of the current EUHL Regular Season prior to the start of the Season, provided they obtained prior approval from the EUHA. The possibility to play matches between teams outside the season's timetable before its official start and during of the season is within the competence of the EUHA.

Based on the mentioned above:
